About Burima Products

Established in 2017, Burima Products is a trusted manufacturer and seller of quality door hardware and locking solutions. With a strong focus on precision, durability and customer satisfaction, we manufacture products designed to deliver reliable performance and long-lasting value.

Our manufacturing and quality processes are backed by ISO 9001:2015 certification, reflecting our commitment to consistent quality standards.

Our Mortise Lock range combines robust construction, smooth operation and practical design, making it suitable for residential, commercial and institutional applications.

We continuously strive to deliver dependable products that meet the evolving needs of our customers.

BURIMA PRODUCTS is also manufacturer of cement product - including RCC DOOR FRAME, COVER BLOCK and a supplier of design door,

We also offer WPC door and frame on demand with customized solutions available.
